- 1 This is what the rate would increase to if the subscription year remained at twelve months, i.e. 1st July 2023 - 30th June 2024.
- 2 This is the rate that will actually be charged to reflect that this is a nine month subscription period as we revert back to a 1st April start date for the subscription year. This figure covers the period from 1st July 2023 - 31st March 2024.
