

# Get into golf

## Always wanted to give golf a try?

Well now you can here at Kirby Muxloe Golf Academy in Leicestershire, with no obligation and all equipment provided we are offering for 2020 “Free Beginners Taster Sessions” where you can come and give golf a try with one of our fully qualified Professionals. To be a good golfer it is essential to be relaxed so we pride ourselves on first class instruction and a warm friendly welcome, providing the ideal environment to learn, practice and play this great game.

The sessions are run in groups, maximum of 6 people in each group, maximising your instruction time. No dress code is in place but we recommend comfortable footwear and non-restrictive clothing. All sessions take place in our covered driving range and purpose-built short game area.

These taster sessions lead to a range of offers for beginners, with times to suit you. Our concept is that you can have lessons and learn the game for very little cost. This of course gives you the chance to be sure you want to continue on our pathway to regular play, equipment ownership and eventual Club membership.

## Step 1 - Free group taster lessons for beginners.
